Education

Geeta University

Bachelor of Technology in Computer Science Engineering (CGPA:9.01)

September 2023 – June 2027

Panipat, Haryana

Shivaniaa Public School

Higher Secondary Education(Grade:85)

April 2021 – May 2022

Uchana, Haryana

G.V.M High School

Secondary Education(Grade:98.8)

April 2019– May 2020

Uchana, Haryana

Experience

Skilligence EdTech

Generative AI Intern

June 2025– July 2025

Rohini, New Delhi

- Developed and deployed Generative AI solutions (text, image, speech) leveraging NLP and Computer Vision models.
- Designed and optimized Transformer architectures for sentiment analysis and multilingual translation.
- Constructed an AI-powered interview simulator, reducing preparation time for EdTech candidates.
- Applied expertise in Python, APIs, and Prompt Engineering to deliver solutions in an Agile environment.

Geeta University

Intern

June 2024– July 2024

Panipat, Haryana

- Leveraged C++ fundamentals to develop and refine algorithms (Merge Sort, BFS, Dijkstra), improving system responsiveness and boosting core functionality by over 30%.
- Enhanced quiz management features, improving user engagement and accelerating backend performance (e.g., query speed).
- Cultivated advanced algorithmic thinking and problem-solving expertise through consistent practice on competitive coding platforms (200+ problems solved across LeetCode, CodeChef, HackerRank).

Projects

AI MockMate - Smart Interview Preparation | *React.js, Python(FastAPI), Monaco Editor, Recharts* **February 2026**

- Engineered an AI-powered interview platform integrating Technical, HR, Cheat Sheets, and English Practice modules using Generative AI for real-time voice-based simulations.
- Implemented a secure live coding system (Monaco Editor) with automated proctoring and analytics dashboards (Recharts) for performance tracking.

Chit Chat - Real-Time Communication Platform | *MERN Stack, Socket.io, WebRTC, Chakra UI* **November 2025**

- Pioneered a real-time communication platform (MERN) leveraging Socket.io and JWT authentication for secure, low-latency messaging and scalable group interactions.
- Delivered WebRTC-based video/voice calling and file sharing system with a responsive React + Chakra UI interface, enabling dynamic status updates and seamless user experience.

ShopVerse - AI-Powered Clothing E-commerce Website (Admin Panel) | *MERN, Google AI API* **Sept. 2020**

- Engineered a full-stack e-commerce application with a role-based Admin Panel for product management (CRUD), ensuring data protection through token-based authentication.
- Enabled AI-driven customer support (Google AI API) and optimized UX with Tailwind CSS, featuring intelligent search, filtering (category, price), and smooth UI interactions.

Technical Skills

Languages: C, C++, Python, SQL, HTML5, CSS, JavaScript

Frontend: React.js, Next.js, Three.js, Tailwind CSS, Bootstrap, Vite, Redux

Backend: Node.js, Express.js, MongoDB, Firebase, RESTful APIs, JWT Auth

AI Integration: OpenAI API, Generative AI, Prompt Engineering, Hugging Face

Developer Tools: Git, GitHub, Postman, Vercel, MongoDB Compass

Certifications

Spring School In Sports Technology,Machine learning and Data Analytics by IIT Delhi March 2026
IIT Delhi

- Apply data-driven modeling and analytical problem-solving skills.

Software Engineer Certification February 2026
HackerRank

- Verified software engineering skills through practical coding and problem-solving assessments.

Philosophy and Critical Thinking– Elite (91%) June 2025– July 2025
IIT Kharagpur (NPTEL)

- Earned Elite distinction with 91% trained in logic and ethical reasoning.

Introduction to Generative AI March 2025
Google Cloud

- Learned Generative AI concepts, LLMs, and real-world applications.

Leadership / Extracurricular

Campus Ambassador September 2024– September 2025
Member *Geeta University*

- Acted as a liaison between students and faculty, fostering strong communication, and campus engagement.
- Organized student-led initiatives and events, strengthening leadership, networking, and marketing skills while boosting participation and outreach.
